

School Lunch Program

We have been notified by Fort Wayne Community Schools that it is necessary for our school to order an entire week of lunches at one time. On Wednesday, 8/10, you will be ordering lunches for the week of 8/22 and 8/29. Every week after that, you will be ordering on Monday for the next week. You will need to order lunches weekly, biweekly or monthly every Monday by noon for the following week. You will be able to order milk and juice daily if you wish. We will not be able to accept any late orders. If your child is absent on Monday, you may call the school office at 747-2343 before 12:00 noon on Monday to place the hot lunch order and then send in your lunch order form with your child the next day. If you are ordering lunches, you must use the lunch order form given to each child since we will be using these forms to calculate how many lunches to order each week. Please do not send in money without the lunch order form or you may not receive credit.

We will be sending out the monthly menu about the middle of each month for the coming month.

If your child has not pre-ordered a lunch and forgets a sack lunch, we will provide a peanut butter & jelly sandwich and milk for \$1.00.

If you are ordering by the month, your order forms will be due on or before the last Monday of each month.
